

## Instructions

- 1 Cut out both the rim of the hat (*below*) and the top of the hat including the white tab (*on the other sheet*).
- 2 On the top of the hat, fold down the white tab, then cut down the white lines in the top of the hat to create slits.
- 3 Fold the top of the hat into a cone (*with the slits at the bottom*) and stick the sides together with the tab.
- 4 Fold the slits outwards.
- 5 Slide the top of the hat through the middle hole of the rim.
- 6 Glue or tape the slits to the underside of the rim.
